EDUCATION

Cornell University, Duffield College of Engineering, Ithaca, NY Expected graduation: May 2029
Candidate for a Bachelor of Science, Intended Major: Mechanical Engineering
GPA: 4.22/4.00

‘Iolani School, Honolulu, HI Graduated June 2025
Weighted GPA: 4.44 / Unweighted GPA: 4.00/4.00

EXPERIENCE

Cornell University AutoBoat Project Team, Ithaca, NY November 2025 – present

- Contribute to an autonomous boat project for the RoboBoat competition, collaborating with 60+ members
- Lead the R&D process of object delivery system, CAD with SOLIDWORKS and Fusion 360, fabricate using 3D-printers, machines, and electrical soldering, code Arduino microcontrollers, and conduct testing
- Engineered racquetball feeder and launching mechanisms with a focus on reliability and DFMA principles
- Implemented robust top-down modeling and parametric design intent in CAD models
- Produced comprehensive technical documentation for continuity of knowledge with future members

PROFESSIONAL EXPERIENCE

Audio Visual Support Assistant, Cornell University, Ithaca, NY September 2025 – present

- Deliver in-classroom technical support for 5000+ faculty and students
- Rapidly respond to help desk tickets; provide on-site troubleshooting for hardware & software issues
- Execute proactive testing to curb classroom technical failures by 50%
- Conduct room improvement tasks to maintain and upgrade systems to align with the latest technologies

LEADERSHIP EXPERIENCE/COMMUNITY SERVICE

Internal Logistics Director, Science Olympiad at Cornell, Ithaca, NY September 2025 – present

- Manage logistics of biannual Science Olympiad tournaments, serving 1000+ middle & high school students
- Coordinate large-scale venue reservations, communicate with facilities staff, and create day-of schedules
- Collaborate with the E-board weekly to plan 20+ STEM events and support a team of 100+ members
- Support youth STEM initiatives through local outreach with Science Olympiad Inc. and Ithaca SMaRTS

CERTIFICATIONS

SOLIDWORKS Design Professional (CSWP), Dassault Systèmes April 2026
SOLIDWORKS Design Associate (CSWA), Dassault Systèmes April 2026

SKILLS

CAD/CAM Software: SOLIDWORKS • Autodesk Fusion 360 • Onshape • BambuStudio • Cura
Manufacturing: Manual Machining • 3D-Printing (Bambu, Crealty) • Laser-cutting (Epilog)
Programming: Python • MATLAB • C++ • Markdown
Computer Software: 3DEXPERIENCE • SkyCiv • Google Suite • Adobe Suite • Microsoft Office
Embedded Systems: Arduino (Nano, Uno)
Languages: Japanese (Fluent)
